**FINANCIAL AGREEMENT**  
**Dr. Tim F. Crisp**

**Patient name:** \_\_\_\_\_

Dental treatment is an excellent investment in an individual's medical and psychological well being. Financial considerations should not be an obstacle to obtaining health service. If your insurance company rejects a claim and refuses to pay for a service, it is not a reflection of how important the service is.

Please note our agreement is with you, **NOT** your insurance company. If your insurance company refuses to pay or pays less than estimated, you must remember that dental insurance is designed to offset the costs of your dental treatment. You are responsible for the cost of your treatment and any insurance reimbursement conflicts. Our office staff will help you to the best of our ability to obtain your maximum benefits. *We strongly advise you, as our patient, to familiarize yourself with your dental coverage and your benefits.* If a claim is not paid, you will be responsible for the balance.

We are providing the following payment options, being sensitive to the fact that different people have different needs in fulfilling their financial obligations:

1. We accept Check, Cash, Money Order, Visa, MasterCard, or Discover.
2. We offer interest free extended payment plans through Care Credit.

Please note: Our office has a 24 hour cancellation policy. Your appointment is time reserved especially for you as our patient to provide for your dental needs. We strive to provide you with a courtesy reminder call, however it is ultimately your responsibility to remember your dental appointment. Please note that there is a **\$15.00** fee for appointments cancelled less than a 24 hour notice or **broken** appointments.
